Lavabo

Diseño: Lavernia y Cienfuegos. **Año:** 2003.

Cliente: Sanico.

Características: Lavabo de una sola pieza para colgar o colocar sobre mueble o repisa.

Dos modelos simétricos en los que el seno es como una erosión producida en un prisma perfecto y está, además, desplazado para dar el mayor tamaño posible a la superficie encimera.

Se fabrica en piedra natural y en STONEFEEL® (resina mineral).

Premio: Design Plus del German Design Council. 2005

Washbasin

Design: Lavernia & Cienfuegos. **Year:** 2003.

Client: Sanico.

Description: A one-piece washbasin that can be put on a cabinet or hung on the wall.

Two symmetrical models in which the sink looks like an erosion on a perfect prism. The sink has been moved to one side in order to provide the maximum space for the surface in which accessories are located.

Made out of both STONEFEEL® (mineral resin) and natural rocks.

Award: Design Plus of the German Design Council. 2005
