the world's best graphics

You gotta *dance* like nobody's watching
dream like you will live forever
live like you're going to die tomorrow
and *love* like it's never going to hurt...

Único Musk

Musk is a highly valued substance in perfumery. It is very frequently used to give body and quality to many perfumes. Its delicate aroma evokes purity, clean skin, peacefulness, smoothness. The cylindrical bottle, the textile texture of the box, the graphic... and all, in the design of the Único Musk, want to evoke the pleasure of the habitual, of things simple, natural, authentic.
