## HOME, SWEET HOME?

Typographic compositions for each of the events promoted by the Designers and Interior Decorators Association of the Valencia Region (CDICV), Vitra, and Valoffice, which took place at the Caja Blanca (White Box).

This area was the showroom of Valoffice, decoration company of Valencia. The aim of the events was to debate about the future of house decoration, theme synthesized in the logo.

## ALFARO HOFMANN

To design the identity for Alfaro Hofmann, we have used photos of his collections of electrical appliances and an 'Avant Garde' style typeface that brings back memories of the golden age of the small electrical appliance.
